Nurse Practitioner Student Financial Agreement

Prior to the start of the clinical rotation, all students must agree to the Student Financial Agreement. The Student Financial Agreement acknowledges that a signed contract creates a financial obligation to Shenandoah Medical Care Center. The agreement also clarifies, withdrawal and non-payment conditions. Any questions regarding the Student Financial Agreement can be directed to the Business Office at (561) 619-9510 and info@shenandoahmedical.com.

I understand and agree that once I have signed the contract, I am solely responsible for the payment of the resulting tuition, fees, and any other charges that I have authorized to be posted my account. I fully understand, acknowledge and agree that regardless of any expected reliance by me on any third-party resource, including, without limitation, financial aid, employer reimbursements, scholarships, or any other external resource, I am and remain personally responsible for paying any and all balances due to Shenandoah Medical Care Center. This agreement constitutes a continuing agreement obligating me to pay all outstanding balances due Shenandoah Medical Care Center.

Fee

Application Fee: Nonrefundable \$40 – This includes processing and submission of university/school required documentation, such as collaborative agreement, practice/provider CV/resume, etc.

Hourly Rate*: \$12/hour, i.e. 50 hours required for course = $50 \times 12 = \$600$ (excluding Application Fee)

*50% of clinical hours' fee is required to hold student's spot prior to the start of the rotation

Withdrawal Policy

Contract agreement creates a financial obligation to Shenandoah Medical Care Center. A refund is only effective upon receipt of an official notice. Registration, enrollment and document collection service fees will not be refunded once contact has been initiated with your program director. Once the student has completed at least one (1) hour of clinical hours, they will only be eligibility for a partial refund. Once the student has completed a quarter (1/4) of their required clinical hours, they can be refunded half of the financial obligation. Once the student has completed at least half of their required clinical hours, no refund will be allowed.

Non-attendance is not a leave-taking from the program; therefore, the student is still required to submit payments as agreed upon.

Failure to Pay & Collections for Nonpayment

I understand that if my account should lapse into delinquent status, I will receive a sign off on clinical hours, and will not be allowed to return to the clinical experience until my bill is paid. Please note that it is Shenandoah Medical Care Center practice discretion to place delinquent accounts with an outside collection agency at the end of each term. I agree to reimburse Shenandoah Medical Care Center the fees of any collection agency, which may be based on a percentage at a maximum of 33% of the debt, and all costs and expenses, including reasonable attorney fees, that Shenandoah Medical Care Center incurs in such collection efforts.

Authorization

I authorize Shenandoah Medical Care Center and their respective agents/contractors to contact me regarding my student account at the current and/or future emails and numbers that I provide for my cellular phone or other wireless device using automated telephone dialing equipment or artificial or pre-recorded voice or text messages.
